

Evidence of Need Factsheet

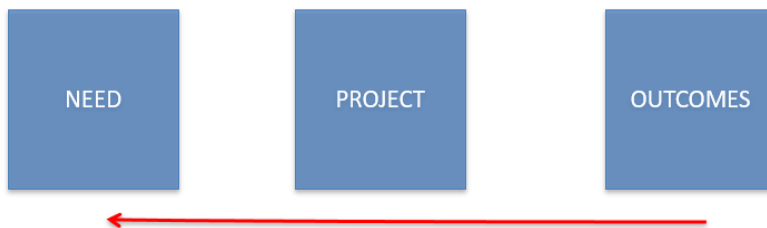

Become the local expert

Consultant the audience your project aims to serve:

- Community consultations
- Surveys
- Engage with potential service partners
- Suffolk Stats – Suffolk Observatory website

- What difficulties do the people in the community face?
- Why do they face these difficulties?
- What needs to change to address this issue?
- High demand for limited resource
- Prove the project will make a difference
- Prove that your project is the best way to address the need identified
- Prove you understand the community and their needs
